HIS TROUBLE NOT OF HEART

Real Facts in Regard to F. R. Huffman's Illness. Relief Obtained By Curing His Stomach Ailments.

Waynesville, N. C.—Mr. F. R. Huffman, of this city, says: "I suffered dreadfully with what I thought was heart trouble, and tried various medicines in vain. After other remedies had failed, Theodore's Black-Draught restored me to health. I would not feel safe without Black-Draught in the house. I consider it worth its weight in gold. It cured my indigestion, and by this means I was restored to health. I can not express my gratitude for its benefits. Good health depends on the condition of your digestion. Poor digestion and good health do not go together. Theodore's Black-Draught will thoroughly cleanse and set in order your digestive system. It has done this for others, during the past 70 years, and is today the most popular vegetable liver remedy on the market. Try it. Insist on Theodore's. Price 25c."

MARES SELL AT DANVILLE

Senator Hubble Buys a Couple of Pairs—List of Sales.

The McCampbell Horse and Mule Exchange, of Tennessee, sold a carload of mares in Danville last week. Some excitement was caused when the first pair were brought out to sell. The large crowd got the horses excited and they did a little tight rope stunt by running up a steep bank of coal and jumping to the roof of Frank's Wholesale Grocery, presumably to get a better view of the situation. They then jumped to the steep roof of the coal shed and down between the two buildings. This was where the tight rope came in as they had to be jessed and drawn up and out to the full length of the cable. The horses were all branded and sold well.
